

Programme
2017 Summer School of Scientific Communication: Communicating science to a broader audience
Split, 26–30 June 2017

Organizers:

University of Split School of Medicine

Faculty of Humanities and Social Sciences, University of Zagreb

Translational Research in Biomedicine (TRIBE) PhD Programme, University of Split School of Medicine

Chairs of the School:

Prof. Ana Marušić, MD, PhD, University of Split School of Medicine, Split, Croatia

Prof. Ida Raffaelli, PhD, University of Zagreb Faculty of Humanities and Social Sciences, Zagreb, Croatia

Lecturers/Scientific Committee:

Prof. David Budtz Pedersen, PhD, University of Copenhagen, Copenhagen, Denmark

Assist. Prof. Darko Hren, PhD, University of Split School of Humanities and Social Sciences, Split, Croatia

Sabine Kleinert, MD, *The Lancet*

Academician Prof. Igor Vlahović, PhD, University of Zagreb Faculty of Mining, Geology & Petroleum Engineering, Zagreb, Croatia

Prof. Elizabeth Wager, PhD, Sideview, UK

Day 1 – MONDAY, 26 June

13:00 Welcome and introductions [Marusic]

13:30 Lecture – Opening up science to different audiences: communication, co-creation and open media (Pedersen)

14:30 Coffee/tea break

15:00 Scientific Conference on Multidisciplinary research [Marusic]

Mad Minutes: Participants will present their research in a 5-minute oral presentation, followed by 5-minute discussion.

17:00 Close of the day: Questions and answers

Day 2 – TUESDAY, 27 June

9:00 Lecture – Manuscript structure – IMRAD [Vlahovic]

10:30 Coffee break

11:00 Lecture – How to communicate science to society? What tools do we need for a successful communication between scientists? [Pedersen]

12:00 Lunch (on your own)

14:00 Lecture - Publication planning and key messages [Wager]

14:30 Paper Clinic I: Practical work on the Introduction sections of the manuscript

15:30 Coffee break

16:00 Paper Clinic I, continued

17:00 Questions and answers; evaluation of students' work

Day 3 – WEDNESDAY, 28 June

9:00 Lecture – Structure of the scientific article: Writing articles in humanities [Raffaelli]

10:30 Coffee break

11:00 Research integrity and publication ethics [Wager]

12:00 Lunch (on your own)

14:00 Research in a multidisciplinary context: a new reality in research developments: Round table with all lecturers

15:00 Coffee break

15:30 Paper Clinic II: Practical work on the Methods and Results sections of the manuscript

16:30 Questions and answers; evaluation of students' work

Day 4 – THURSDAY, 29 June

9:00 Lecture – Presenting different types of research: Qualitative research [Hren]

10:30 Coffee break

11:00 Lecture – Around IMRAD: tables, figures, references, submission letter [Marusic]

12:00 Lunch (on your own)

14:00 Paper Clinic III: Practical work on the Discussion section of the manuscript

15:00 Coffee break

15:30 Paper Clinic III, continued

16:30 Questions and answers; evaluation of students' work

Day 5 – FRIDAY, 30 June

9:00 Lecture – What happens with the manuscript after submission: peer review and editorial decisions [Kleinert]

10:00 Paper Clinic IV: Practical work – writing a submission letter, reviewing exercise (participants will be reviewing each other's abstracts.)

11:00 Coffee break

11:30 Paper Clinic IV, continued

12:30 Peer-review: perspective from different disciplines – all lecturers

13:30 Evaluation of the course

14:30 End of the Summer School

Students are expected to bring their own computer. School's computer room will be also available.
